AN UNWITTING PROPHECY.

Under the head of "A. Hypothetical Change," the CHRONICLE, in its issue of the 18th of June, had the following oditorial, which, in the light of the sad dfillment of the supposition therein made, in regard to the late Chief Magstrate, and the changes hypothetically contemplated, which are not as yet President Arthur's inaugural adof strange prophecy, unwittingly

Suppose the President of the United States should die, what a lively commotion there would be in the ranks of garded as a superior state paper. It was broad and liberal enough in tone and if he will earry out the principles therin set out, he will maintain the respect and confidence. It was broad and liberal enough in tone and if he will earry out the principles therin set out, he will maintain the respect and confidence. It is made to the united States, and Roscoe Conkling, secretary of state, and the majoritain the respect and confidence. maintain the respect and confidence which the country is willing to extend to him, as is its plain duty to one occuping his position. If he adheres to his declaration to continue the measures devised and planned under Garfield's administration to continue the measures devised and planned under Garfield's administration to continue the measures devised and planned under Garfield's administration to continue the measures devised and planned under Garfield's administration to continue the measures devised and planned under Garfield's administration to continue the most obscure village in all the country who had not taken all the country who had not tak

on his hands, which, by doing well the President. If he should ever, by which was followed by the exquisand thoroughly, will entitle him to the respect of all good people. The would be a great misfortune indeed, soul," sung by the full choir, with country had been led to expect that if he is to be succeeded by such a man organ accompaniment. Roy, Dr. much from Garfield and they will as Arthur), become President of the Sears, of the Baptist church, then be satisfied with nothing less from Arthur. He will have to get rid of many of his bosom friends in carrying out his promised reforms and eral patronage in the hands of the byterian Hymnal, beginning the sooner he does this the better it stalwarts. It is to be hoped this may servant of God, well done. vill be for him.

All in all, the new administration of the new admini tion sets sail on a calm and prosper- slow, and not be too warm in their ous sea, and it remains to be seen advocacy of the present administra-

> Of course, at the time, we had not the faintest dream that such a sad calamity as has befallen the nation would occur, but we believed, even then, that the fierce struggle which was going on New York collectorship and other dark plots and crimes among the rougher elements of the two contending factions. We do not believe for one moment that any other man than party, had anything to do with the heinous murder of our honored Presiparty to expect an office, and being baffled in this expectation, foully murdered the man whom he thought most stood in his way.

> It is unpleasant, at this hour, to lay the cause for such a damnable act at crime, will be forced to lay it at the lowed spoils system. We will say nothing now of the changes which the administration will prove errone-
